Structure

Stokes House (Escolles House) (CAL-123)

History: Built in 1835 by Dr. James Stokes and sold to Honore Escolle in 1856, who started first French bakery in Monterey. Escolle imported a French artisan and began making pottery in a kiln he built on the property.

Became property of M. M. Gragg in 1914. Now a restaurant.

Description: Two-story adobe with two-story ^{wood} veranda front and rear supported by wood posts. Gable ends with lean-to kitchen wing at south end. Shingle roof extends over
